Digital COVID-19 Vaccine Record

- Your QR code is a SMART Health Card, a secure copy of your vaccination record. More information is at https://smarthealth.cards.
- To protect your privacy, the QR code can only be scanned and read by a SMART Health Card-compliant device. If you do not have a SMART Health Card, you must provide alternate proof of vaccination or a negative COVID-19 test within 72 hours to house management. To find an approved testing site, visit: https://hhs.gov/coronavirus/community-based-testing-sites

Together, we are following public health safety guidelines to develop plans for a safe return to campus.
